The comics artists are :

- Jerry CHO
- Felix IP
- Elphonso LAM
- Kwong-shing LAU
- LITTLE CLOUD
- Pen SO
- Sam TSE
- Kent YUEN

Together with Hong Kong Comics Publisher YU YI, these comics artists strive to express the realm of "force" in comics via numerous forms of representation : from the "explosive force" of muscular characters to the flash-like "speed", from the "rhythm" of body movements to the "stunning effect" of tremendous scenes, from the "heat" and "friction" created between rivals to the "tension" interlaced in scripts, etc. This exhibition will showcase the original paintings and multi-media exhibits of the comics artists and publisher.
