Swiss-HK jamming session

Co-presented by Hong Kong Arts Centre and Kung Music Workshop, this week's Jockey Club Street Music Series will see local violist Born Lau and the homegrown band The Majestic G perform alongside Odd Beholder and electronic rock band RizzoKnor from Zurich, Switzerland. Lau is a multi-awards-winning performer and The Majestic G is an original funk/soul/experimental music group, still quite active on the Hong Kong scene. Odd Beholder has been described as a "lucid dream", while RizzoKnor is known for its unique style of blending techno, rock and psychedelic music, often leading the audiences into frenetic dancing.
