There are so many great [art exhibitions in Hong Kong](#) happening this month that we're pretty sure you won't want to miss. [Shoes: Pleasure and Pain](#) explores how the wardrobe staple define cultures throughout the ages, while [Wan Chai Grammatica: Past, Present, Future Tense](#) has 18 local artists examine the district of Wan Chai. And that's just two!

Sorted for things to do this weekend in Hong Kong?

We think you should also make some time to try these traditional [Hong Kong desserts](#), learn about how to reduce your [single-use plastic](#) use in the city, or plan a [short trip from Hong Kong](#) with our handy guide.
