Red is a colour of celebration, passion and energy. It is also a colour that features prominently in acclaimed Singaporean artist Jane Lee's first solo exhibition in Hong Kong, titled 'Jane Lee: Red States'.

Read *The Artling's* story at <http://bit.ly/2LcTaUK> to learn how the exhibition documents the evolution of Jane Lee's career and her investigative forays into the nature of painting.

'Jane Lee: Red States' is organised by Sundaram Tagore Gallery and the Tagore Foundation, Hong Kong Arts Centre, National Arts Council Singapore and curated by Michelle Ho.
