漫畫 X 插畫 X 電影 X 非物質文化遺產

香港國際機場同香港藝術中心（動漫基地）再度合作，推廣本地獨特文化及不同形式的藝術。

兩個展覽，由兩位本地創作人操刀，以不同的視覺手法呈現豐富多元的「香港地」。

🎬《影·畫 香港地》| 以「香港景搜」而為人熟悉的漫畫家張君豪，以全新作品畫出最「多情」的香港電影場景。

🎮《行勻非遺一條龍》| 顧沛然以四項非物質文化遺產項目入畫，構圖靈感來自80年代的電子遊戲機，以48米長巨幅畫作展現傳統工藝的美學。

香港國際機場文化藝術節2023昨日正式開鑼！開幕禮期間，創作人向嘉賓及傳媒介紹繪畫所刻劃這座城市的獨有韻味。

留意 動漫基地 Comix Home Base 未來幾日為大家介紹兩個展覽中的港產好景、好戲。

Comics x Illustration x Movies x Intangible Cultural Heritage

Hong Kong International Airport and Hong Kong Arts Centre (Comix Home Base) collaborate again in promoting Hong Kong's unique culture and its various forms of arts.

Two exhibitions feature two local artists, presenting Hong Kong as a vibrant city with diverse offerings through different visual expressions.

🎬 A Visual Voyage: Hong Kong and Scenes | A showcase of new artworks by Kwan-ho Cheung who is well-known for his Searching for Views In Hong Kong series. He depicted scenes from multiple Hong Kong movies with lots of affection.

🎮 Pilgrimage to Intangible Cultural Heritage | In Rex Koo's illustration, four intangible cultural heritage items can be found. His inspiration comes from video game consoles in the 1980s. The aesthetic of traditional craftsmanship is reinterpreted through this massive 48-metre-long artwork.
