The Collectible Art Fair

Art Fairs Wan Chai Until 16 Nov 2023

Focused on nurturing a new generation of talents and enhancing public awareness of local Hong Kong artists, The Collectible Art Fair will feature over 200 artists and Hong Kong Art School (HKAS) alumni, showcasing more than 300 works across various media, including paintings, ceramics, installations, photography, and video. There will also be ceramic cupping workshops on October 22 to allow visitors to get hands-on with art.

On November 4 and 5, trained junior docents will be available to guide visitors on tours – through expressing their thoughts on art, this Hong Kong Arts Centre programme aims to expose more children to artistic interests. Barring necessary event expenses, all proceeds from the fair will be donated to the HKAS as its development fund, so this is a great chance to do your bit for local artistic talents!
