Thank you to all creators and comics enthusiasts who joined the '1 + 1 = ∞ Networking Party' with us! ✨🍷

The party concluded with great success. Comics friends gathered and chatted together with laughter! We are glad to see creators of different mediums and promoters from the industry rubbing elbows with each other—there were sophisticated seniors and novices having whims on the brain getting together and inspiring one another. 🗣️ Hope more '1+1' collaborations can be fostered at the party, bringing in more creative ideas to the comics and animation industries! 💡

🙏 Thank you Felix Ip and Linus Liu for this great crossover work. It is believed that Hongkong Machines X Cat Mask Boy: Timeless Encounter can go further and extend to diverse areas. 🔥
