61 SHARES

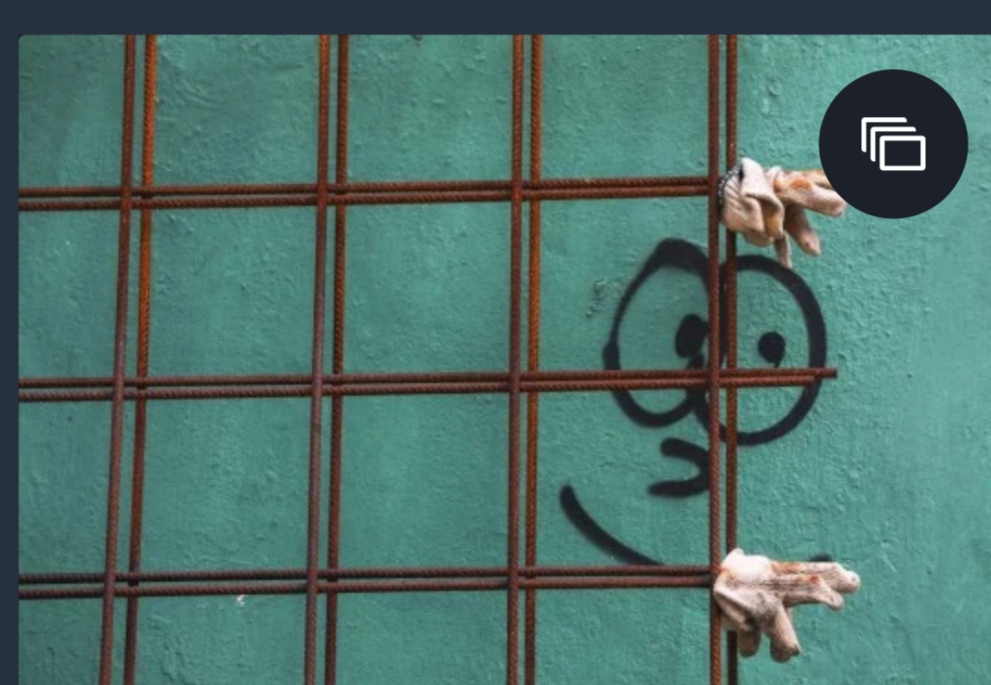

An exhibition that opens 17 Aug. 2022 at Hong Kong Arts Centre features the ways artists have used the camera as a tool to respond to the challenges of the new normal in the coronavirus pandemic. Here is a selection of photographs by Vincent Yu, one of the artists featured in "Another Round: Re-Imagining Covid-19". Yu documents changes in the city under the pandemic using an extra-wide lens to take sweeping monochrome panoramas. The exhibition, which runs until the end of the month also features work by Cheung Chi Wai, Maria Cheung, Almond Chu, Eric Hu and Ringo Tang. / less
