Moving Tales of Hong Kong Animation

Hong Kong Heritage Museum  SHATIN | HONG KONG

NOVEMBER 18, 2017-MARCH 05, 2018

 Save to calendar

The exhibition "Moving Tales of Hong Kong Animation" will offer an overview of the development of the local animation industry over the past decade. Showcasing influential and representative works by renowned and up-and-coming local animators together with their oral history interviews, it sets out to give audiences a better understanding of the dynamics and artistic approaches in the industry and a greater appreciation of the talent and energy driving this important aspect of Hong Kong culture.
