## Just Moment Salon

香港藝術中心首次破天荒舉辦深宵藝術節目 — Just Moment Salon，讓你體驗不一樣的醉人之夜。夜幕低垂，華燈初上，燈火通明的維港夜色讓我們想起生命中的每個剛剛好的 Just Moment。剛好列車到了，剛好有你在身邊，剛好和你戀上了，剛好與你沒相見……這夜，讓我們不知不覺卸下彼此心防，坦誠面對心中所思所想，並透過聲音、故事與音樂，一起回憶每個一閃即逝的 Just Moment。

During this year Open House, the Hong Kong Arts Centre unprecedentedly organises a Late Night Programme – the Just Moment Salon. Situated along the Victoria Harbour, the salon offers you a space to slow down and to savor every moment of your life when nearby skyscrapers are lighting up at nightfall. The Moment that the train arrives, the moment that you are by my side, the moment that we fall in love or the moment that we just miss each other... In this night, let's free our mind and let our inner thoughts and emotions to float in the air. Together with some light music, you will recall every of your "just moment" through our stories console and soundscape diffusion.
