【活動回顧：茶の湯及Art & Society座談會】

由Wado Project及Hong Kong Art School合辦的茶の湯於上周五(16/11)順利舉行，四位大師為大家介紹有關日本茶道的的基本知識。在場參加者除了體驗到日本的茶道文化、了解茶具製作、亦享用到茶道所用的日式甜點—和菓子！再次感謝WADO project 及日本駐港總領事館為我們帶來這項難得的文化分享活動！

另外Social Transformations 展覽周邊活動—Art & Society座談會亦於上周末(17/11)圓滿舉行，講者分享了藝術在過去二十年如何在社會發展和滲透到不同層面。

【Activities review: Chanoyu & Art & Society Forum】

"Chanoyu – The Arts of Tea Ceremony" was held on 16th November, 2018 (last Friday) at our Main Campus which attracted a wonderful number of audiences. It was our honor and privilege to have the four Japanese masters to share their knowledge and experience on Japanese Tea Ceremony and related craftsmanship with us. We had a fulfilling afternoon and were able to gain an overview of traditional arts of Japanese sweet, tea utensils, lacquer ware and kettle making. Thanks to WADO Project and the Consulate-General of Japan in Hong Kong for bringing us this exclusive cultural event! Moreover, Forum 2 : Art & Society of the Social Transformations exhibition was held successfully on last Saturday (17 Nov), the speakers addressed how art has been evolving and penetrating into different sectors of the society as well as different walks of life over the past two decades.
